**MYHA Handbook Mandatory Volunteer and Locker Room Commitment:**

Each Team Manager will document volunteer hours during the season and submit a report to the MYHA Board of Directors at the end of the season. Team members and/or their families are expected to commit to a minimum of 20 volunteer hours throughout the season so that MYHA may fulfill its obligations to athlete and team development, safety, fundraising and our governing bodies of Idaho Amateur Hockey Association and USA Hockey. Thus, MYHA expects each athlete's family to commit to their part. Team Managers will advise on volunteer needs.

- **Confidentiality**: It is required by MYHA Board of Directors and USA Hockey that all Possible Locker Room violations are kept confidential and only to be discussed with the Safe Sport Director and Coach, if necessary.
- **Parent Commitment**: Parent agrees to commit to a specified number of shifts per season for McCall Youth Hockey Association. Parents will be notified by the team manager when locker room monitor slots will be open for sign up as well as the amount to sign up for through MYHA's team manager after registration closes and teams are formed. A SafeSport certification is required for each parent that signs up for locker room monitor shifts. The purpose of this commitment is to support the successful operation and management of the program. Any parent that is physically in the locker room during a shift has to be background checked.
- **Shift Allocation**: Parent will receive notification of their assigned shifts and expected attendance. If the Parent fails to sign up for their designated number of shifts, the MYHA team manager will distribute information with a link containing the remaining vacant shifts that need to be filled. The remaining shifts will be association-wide and not just specific to an individual team.
- **Locker Room Monitoring Compliance**:
  - Compliance: If Parent successfully completes their committed shifts as allocated meets the expected attendance, no player practice consequences will be enforced.
  - Non-Compliance: In the event that a parent does not show up for their committed shifts, their child will not be able to get on the ice for that hour of practice. If the parent shows continuous absence from assigned shifts, their child will put in poor standing.
